

# 606/616 SERIES FR COVERALLS

Shoulder pleats maximize range of movement, ensuring wearers are able to move around with more flexibility and comfort on the job.

## SPECIFICATIONS

### Description

This coverall has a great look and fit. It features five pockets and non-sparking YKK® zips throughout. Major seams are double- or triple-stitched, with stress points bar-tacked for added strength. 50 mm (2") reflective FR striping on the 616 Series ensures high visibility for safety.

### Fabric

Available in a variety of fabrics to suit your working environment. See next page for more information.

### Compliance

See next page for more information.
